

## INSTRUCTIONS FOR ABSTRACT SUBMISSION – ELECTROSPIN 2026

Original contributions on the following congress topics are encouraged:

### 1. Theoretical Foundations, Modeling and Simulation of Electrospinning

- Multiphysics Modeling of the Electrospinning Process
- Numerical Simulations of Jet Dynamics, Instabilities, and Fiber Formation
- Predictive Models for Structure–Property Relationships in Nanofibers
- Data-Driven and AI-Enhanced Modeling Approaches in Electrospinning
- Rheology, Charge Transport, and Jet Behavior in Polymer Solutions

### 2. Nanofiber Fabrication & Process Optimization

- Advanced electrospinning techniques (needleless, coaxial, multijet, etc.)
- Process monitoring, control, and in-situ diagnostics
- Industrial scale-up and manufacturing challenges
- Structure–property tailoring and fiber design

### 3. Biomedical and Healthcare Applications

- Tissue engineering scaffolds and regenerative systems
- Controlled drug delivery and therapeutic nanofibers
- Wearable and implantable biomedical sensors
- Biocompatibility, biodegradation, and clinical translation

### 4. Energy, Electrocatalysis & Sustainable Materials

- Electrospun electrodes for batteries, supercapacitors, and fuel cells
- Nanofiber catalysts and electrocatalytic materials
- Green, bio-derived, and recyclable polymers
- Membrane technologies for water and air purification

### 5. Functional Nanofibers for Sensing, Filtration & Smart Textiles

- Chemical, biological, and physical sensing platforms
- Filtration, separation, and environmental remediation
- Smart and responsive fibers for wearable systems
- Integration with optics, electronics, and multifunctional devices

Abstracts for the ELECTROSPIN 2026 Congress must be submitted **exclusively through the official online submission procedure**

[https://registrations.meetandwork.com/ABS\\_Login.asp?IDcommessa=MW26004&Lang=EN](https://registrations.meetandwork.com/ABS_Login.asp?IDcommessa=MW26004&Lang=EN)

Submissions sent by email or through other channels will not be accepted.

- All abstracts **must be written and presented in English** and should be based on **one of the official topic areas** of the Congress.
- Abstracts should be submitted **online only** using the designated procedure.
- The content of the abstract must be relevant to **one of the topic areas**.
- **Abbreviations** must be spelled out in full the first time they appear in the text, followed by the abbreviation in parentheses (e.g., *Higher Education Area (HEA)*). After the first occurrence, only the abbreviation may be used.  
**Abbreviations must not be defined or used in the title.**
- **Tables, charts, figures, or other graphic elements are not permitted** and will be deleted by the editors.
- At the end of the abstract, authors must provide **3 to 5 keywords**.
- The abstract must not exceed **700 words**

**⚠ Important:**

Abstracts that do not comply with these instructions may be rejected or returned for revision. Authors are therefore strongly encouraged to review all guidelines carefully before completing the online submission.

**Submission procedure**

To submit an abstract, authors are required to **follow the online procedure step by step**:

1. Click the button “SUBMIT YOUR ABSTRACT”
3. Complete all required fields:
  - Submitter: the corresponding author
  - Authors: enter name, one affiliation per author, and email address. Mark the presenting author.
  - Presentation type: choose from the drop-down menu
  - Topic: select from the available list
  - Abstract title: use proper capitalization (no ALL CAPS)
  - Abstract text with the following structure:
    - Background/Rationale
    - Materials and Methods
    - Results
    - Conclusions
    - Keywords
    - References
5. Click “NEXT”
6. Scroll down and click “Preview abstract”
7. In the preview window:
  - Check all details carefully
  - Click “Confirm abstract data”
  - Then click “Submit abstract”

**After submission**

- The system will send a confirmation email to the submitter including:
  - Abstract ID
  - UserID and PIN to access the personal area (also required for presenter registration).

### **Important notes**

- If you do not receive the confirmation email, check your spam/junk folder.
- In case of technical issues or missing confirmation, please contact the Organizing Secretariat:

 **abstract@meetandwork.com**

- The Scientific Committee reserves the right to review all submissions and confirm or modify the selected presentation type.
- Once submitted and confirmed, abstracts cannot be edited. With the UserID and PIN you will only be able to log back in to verify the uploaded version.
- Abstracts sent by email or fax will not be considered under any circumstances.

### **Important dates:**

Deadline for abstract submission: **May 10, 2026**

Notification of acceptance: **May 20, 2026**

Deadline for presenters' registration: **May 31, 2026**
